

Equine Educational Workshops

COURSES FOR HORSE LOVERS & LEARNERS

LISTENING TO HORSES: UNDERSTANDING HORSE COMMUNICATION

Have you ever wondered what a horse is trying to say to you or another horse?

All good horse training requires a thorough understanding of horse behavior and language to achieve successful and caring outcomes. Join us to explore how horses use their body language and vocalizations to communicate with each other and the people around them.

When you understand your horse's behavior and language, you can relate to your horse in a much more meaningful way that can deepen the bond between you and your horse.

DIG INTO TEXAS AGRICULTURE & IN HOME HORTICULTURE

Discuss the magnitude of Texas Agriculture on a global and domestic scale.

Learn how to identify Texas native and common flora and fauna as well as a few practical techniques for growing produce at home.

Learn about Hydroponics and simple ways to grow more of the food you eat in the smallest of places.

LEADING FROM THE HERD: EQUINE FACILITATED LEADERSHIP

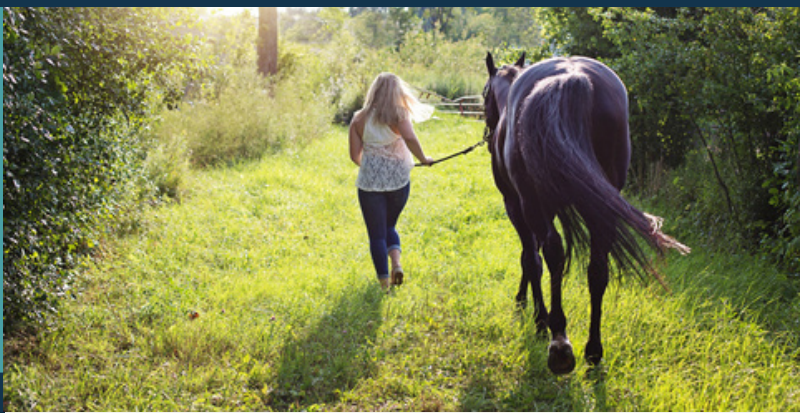

Experience how horses respond to body language; Identify specific personality types and how apply's to you & your leadership style .

Enjoy an introspective journey in which you will explore your leadership traits, in compassion of those of the herd in order to facilitate personal growth.

The goal is for students to learn more about themselves and their impact on others.
